- Click continue once you have answered all questions and accepted all links
- If it asks for parent involvement, you can click "skip"
- If it takes you to Milwood Little League's fan wear shop, you can skip that. We hope to have our own Challenger fan wear site soon
- It should then show you your player that is registered, and the \$35 league fee. To check out please pay online – there is a nominal service fee for that. If you have the T-Mobile grant, you will have a card number you can input for the credit card method.
